Dear Dean,

Thank you for your help during my recent long distance move from Chicago to Providence. You went above and beyond the call of duty to help me arrange the details for my movers. I could never have accomplished this without your help. Also, thanks for responding so quickly when I needed things done at the apartment after my furniture arrived.

We will miss seeing you at the Pratt building. I'm sure you'll be very successful in your new business venture. I would highly recommend you! Best wishes to you and your family and please keep in touch.

Sincerely,

Nanci Batson
